We are borrowing a:

Instrument & Serial Number

We (Parent & Student) Agree:

- * The student will remember to bring his or her instrument to all band rehearsals.
- * The student will do their best to practice their instrument at home. (Musical instruments come to life when they are played!)
- * The student agrees to take excellent care of the instrument and use common sense in its care, i.e. Put the instrument back in its case when not in use. Do not leave the instrument in a hot car or otherwise expose it to extreme temperatures or moisture.
- * Do not lend the instrument to others.
- * The instrument must be returned in the same working order in which it was originally received no later than the last day of school.
- * During the school term, if the instrument is damaged the family will take responsibility for repairing it.
- * If the instrument is lost the family will take responsibility for replacing it.

Before taking an instrument home, the student should be able to do the following:

- * I know how to take the instrument out of its case and assemble it.
- * I know how to clean the instrument.
- * I know how to tune the instrument. (stringed instruments)
- * I know how to disassemble the instrument and put it in its case.
